JUDITH A. YAVITZ

Congratulations to Vincent A. Errante, Jr. and Judith A. Yavitz on their selection to Super Lawyers, and Mark I. Friesz and Lauren A. Watt on their selection to Rising Stars

When Fortune 100 companies face complex legal challenges in the areas of mass tort, product liability, premises liability and commercial litigation, they turn to the Manhattan law firm Darger Errante Yavitz & Blau (DEYB) for help. Whether through litigation, negotiation or trial, DEYB specializes in finding practical solutions to the most complex legal issues involving asbestos, benzene, pharmaceuticals, medical devices, Chinese drywall, dietary supplements, cell phones and much more.

With many years of experience, this boutique litigation firm brings big-firm experience to every case. With partners who previously worked at some of the biggest firms in New York City, DEYB has prevailed against powerful adversaries. In one high-profile case, DEYB was instrumental in obtaining a court ruling that bankrupt companies were required to share liability for asbestos-related injuries, significantly lowering the financial burden on the firm's clients. This seminal decision was upheld by the Court of Appeals, New York's highest court, and has had a huge impact on mass tort litigation throughout New York State. "Each of our partners has extensive experience in litigation, mass tort and product liability," says Judith A. Yavitz, one of the firm's founding partners who had been selected to Super Lawyers for the tenth year. DEYB clients receive the benefit of that experience with services delivered in the most cost-efficient manner possible.
